

The headquarter for the next European Conventions.

(Attachment to the organizational protocol)

(Arrangements made in the meeting in Madrid, on 16 July 2023, of the various responsables of the Third Convention. To be placed in Attachment to the Organizational Protocol to the Conventions)

The first three Conventions, initiated by France, took place in the following order: France (Paris), Italy (Rome) and Spain (Madrid).

In the planning meeting for future Conventions, on Sunday 16 July 2023, the question arose of the location of the next Convention, the IV, in 2025.

It was first concluded, with the agreement of the representative of this zone, that the cohesion of the plurilingual zone was still too underdeveloped to host an event of this magnitude.

It therefore remained to study the possibility of renewing in the same order the three previous locations, France, Italy and Spain.

It was noted, however, that France was organizing the next international RV in Paris in 2024, and that therefore it would be inappropriate to entrust it with the 2025 Convention again, even if it could be anticipated that it would be in another city than Paris

It was so decided exceptionally that in 2025 France would delegate this load to Italy - which will obviously have to choose the host city - and renew its turn in 2027.

According to our various rules of permutation we can therefore consider the following calendar:

2024 RV, à Paris (already decided)

2025 IV Convention, Italy

2026 RV in America

2027 V Convention, in France

2028 RV, Europe side

2029 VI Convention, Spain
