

## **LIPP Round Table - International Laboratory on the Politics of Psychoanalysis of the IF and its School**

July 22, 2026 at 5 pm

Venue: Forum of the Lacanian Field of São Paulo, Avenida Brasil, 2101 – Jardim América, São Paulo

### **Ethics and politics of psychoanalysis: the experience in the LIPP**

From January 2025 to the present, the LIPP has organised online debates based on topics gathered through consultations with the School community of the *Federation of Forums* and its different linguistic zones. In this round table, representatives of those zones bring their reflections on the experience to debate, in order to advance together in thinking about the politics of psychoanalysis — in both intension and extension —, its ethics, its clinic and its relation to other discourses from the standpoint of the analyst's discourse, in the face of the urgencies of our time and the conjuncture of our century.

Panel composition:

Antonio Quinet (Brazil), Devra Simiu (Anglophone Zone), Ester Mikowski (Brazil), Maria Koukoumaki (Plurilingual Zone), Mario Binasco (Italy), Mohamed Kadari (Francophone Zone), Nieves Gonzales (Spain), Stella Casanova (Latin America North).

In-person event with online streaming in Portuguese, Spanish and French.
